Section 1. Every owner of a lot which is subject to assessment shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment.

(b) January 1, 1991.

ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, cost and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for the delinquent assessments shall not

pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents of the Properties and in particular for the acquisition, improvement and maintenance of properties, including the maintenance, repair and reconstruction of any storm water Impoundment Area situated on the Common Area required by the City of Raleigh to comply with its erosion and sedimentation control ordinances, such maintenance to include the cutting and removal of weeds and grass, the removal of trash and rubbish or any other maintenance necessary to keep the Impoundment Area in compliance with all applicable ordinances and statutes relative to said erosion and sedimentation control and which in the judgment of Chadwick Townhomes Association, Inc. is desirable to keep the Impoundment Area neat in appearance; provided, however, this covenant to maintain said area as an Impoundment Area shall terminate at such time as maintenance and preservation of the Impoundment Area as a water impoundment area is no longer required by applicable local ordinances or state statutes, services and facilities devoted to this purpose and related to the exterior maintenance of the residences situated upon the lots within the Properties or for the use and enjoyment of the Common Area and Water Impoundment Area, including but not limited to, the cost of repairs, replacements and additions, the cost of labor,

equipment, materials, management and supervision, the payment of taxes and public assessments assessed against the Common Area, the procurement and maintenance of insurance in accordance with the By-Laws and this DECLARATION, the employment of attorneys to represent the Association when necessary, and such other needs as may arise.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be Four Hundred Twenty and No/100 Dollars (\$420.00) per Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased effective January 1 of each year without a vote of membership by up to ten per cent (10%) of the previous year's maximum annual assessment.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above the increase permitted in Section 3.(a) above by a vote of the members for the next succeeding five years and at the end of each such period of five years, for each succeeding period of five years, provided that any such charge shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of

which shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting setting forth the purpose of the meeting. The limitations hereof shall not apply to any change in the maximum and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, and in connection with exterior maintenance, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Section 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At the

first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (½) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis. Notwithstanding any provision in this Declaration, the Articles of Incorporation and By-laws to the contrary, no lot shall be subject to the assessment until the first day of the month following the conveyance of the first completed townhome by Declarant and lots owned by Declarant which are not under a completed roof shall be 25% of the regular assessment.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots as provided in Section 6 above. The first annual assessment for each lot shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The

Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the association setting forth whether the assessments on a specified Lot have been paid, which certification shall be binding on the Association.

Section 8. Effect of Nonpayment of Assessments:

Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of 10 percent per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages

and Ad Valorem Taxes. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage and ad valorem taxes. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage or tax foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Exempt Property. All properties dedicated to, and accepted by, a local public authority and all properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

Section 11. Responsibility for Maintenance of Private Streets and Driveways. The maintenance responsibility of any private streets and driveways as shown on the aforesaid recorded map shall rest with the Association pursuant to the provisions of the Raleigh City Code Section 10-3074, which section provides substantially in part that in no case shall the City of Raleigh be responsible for failing to provide any emergency or regular fire, police, or other public service to the property and/or occupants when the failure is due to inadequate design or construction, blocking of access routes, or any other factor within the control of the developer, the Association, or occupants.

ARTICLE V

PARTY WALLS

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of the dwelling upon the Properties and placed on the dividing line between the Lots and all reconstruction or extensions of such walls shall constitute party walls, and, to the extent not inconsistent with the provisions of this Article, the general

rules of law regarding party walls, lateral support in below-ground construction and of liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3. Destruction By Fire Or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. The owner of any Lot may construct, reconstruct, repair, or extend a party wall in any direction (subject to and within the limitations of architectural control and other limitations of these Covenants) with the right to go upon the adjoining Lot to the extent reasonably necessary to perform such construction. Such construction shall be done expeditiously. Upon completion of such construction, such owner shall restore the adjoining Lot to as near the same condition which prevailed on it before the commencement of such construction as is reasonably practicable.

Section 5. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 6. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 7. Certification by Adjoining Property Owner That No Contribution is Due. If any Owner desires to sell his property, he may, in order to assure a prospective purchaser that no adjoining property owner has a right of contribution as provided in this Article V, request of the adjoining property owner or property owners a certificate that no contribution exists, whereupon it shall be the duty of each adjoining property owner to make such certification immediately upon request without charge, which certification shall be binding on the owner giving same; provided, however, that where the adjoining property owner claims a right of contribution, the certification shall contain a recital of the amount claimed.

Section 8. Arbitration. In the event of any dispute arising concerning party wall, or under the provisions of this Article, such dispute shall be settled by arbitration as provided by the laws of North Carolina, relating to arbitration as then existing.

ARTICLE VI

ARCHITECTURAL CONTROL

No building, fence, signs, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

ARTICLE VII

ANNEXATION OF ADDITIONAL PROPERTIES

Section 1. Annexation of additional property, except as provided in Section 2 of this Article VII, shall require the assent of two-thirds (2/3) of the Class A membership and two-thirds (2/3) of the Class B membership, if any, at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting setting forth the purpose of the

meeting. The presence of members or of proxies entitled to cast sixty percent (60%) of the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called subject to the notice requirement set forth above and the required quorum at such subsequent meeting shall be one-half of the required quorum of the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting. In the event that two-thirds (2/3) of the Class A membership or two-thirds (2/3) of the Class B membership are not present in person or by proxy, members not present may give their written assent to the action taken thereat.

Section 2. If within six years of the date of incorporation of this Association, the Declarant should develop additional land within the boundaries shown on the general plan of Chadwick Townhomes heretofore submitted to the Federal Housing Administration, and the Veterans Administration, and the plan approved by the City of Raleigh on April 16, 1985; such land may be annexed by the Declarant without the consent of members provided that the FHA, VA, and the City of Raleigh determine that the annexation is in accord with the general plan heretofore approved by them.

ARTICLE VIII

EXTERIOR MAINTENANCE

Section 1. In addition to maintenance of the Common Area, the Association shall provide exterior maintenance upon

X

each lot which is subject to assessment hereunder, as follows: paint, repair, replace and care for roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks, mail-boxes, fences installed by Declarant or the Association, exterior post lights (excluding electricity therefor), and other exterior improvements. Such exterior maintenance shall not include glass surfaces, screens, awnings, and if permitted, approved additions to dwellings made after completion of the initial dwelling (unless maintaining of such addition is affirmatively assumed by the Association). Further, the owner of any lot may at his election plant trees, shrubs, flowers and grass in his rear yard and may also maintain portions or all of his rear yard provided that such maintenance by the owner does not hinder the Association in performing its maintenance of the exterior of the house and the remaining yard spaces. Any owner who fences in his rear yard shall be required to maintain such area. No such maintenance by a lot owner shall reduce the assessment payable by him to the Association. If, in the opinion of the association any such owner fails to maintain his rear yard in a neat and orderly manner, the Association may revoke the owner's maintenance rights for a period not to exceed one year. The Owner shall not plant any vegetation in the front yard except with the prior written approval of the Association. The Association hereby reserves an easement unto itself, its agents, and employees for access over the Common Area and lots

for the purpose of performing the maintenance and repairs provided for in this Declaration.

(As a matter of information to future members of this Association, the developers wish to make it known that it is a part of the original plan of development to construct a variety of dwellings with a variety of exteriors for the good of the entire subdivision. Some dwellings may require far more maintenance than others because of the types of exterior exposures. Nevertheless, in order to avoid monotony and in order to achieve a harmony of design and textures, all of those connected with the conception, design, construction and financing of this subdivision as originally planned, are in accord in their belief that all members of the Association will be benefited by the variety of exteriors and, therefore, the Association should provide exterior maintenance and make a uniform rate of charge without regard to the actual cost of maintenance of each dwelling.)

In the event that the need for maintenance or repair is caused through the willful or negligent act of the Owner, his family, or guests, or invitees, or employees, or subcontractors, the cost of such assessment to which such lot is subject.

Section 2. Maintenance by Owner. In cases where maintenance or repair is required in this Declaration to be done or made by an Owner, and such maintenance or repair has not commenced within sixty (60) days, or if commenced, is not completed within a reasonable time thereafter, the Association may,

upon thirty (30) days written notice to such owner, make or complete such maintenance or repairs, and the cost thereof shall be an additional assessment applicable only to such lot and Owner, and shall be payable as determined by the Board of Directors.

ARTICLE IX

INSURANCE AND RECONSTRUCTION

Section 1. Insurance. The insurance which shall be carried upon the Townhomes shall be governed by the following provisions:

(i) All improvements comprising the Townhomes shall be insured by the Association in an amount equal to the full insurable replacement value thereof, exclusive of excavation and foundations. Such coverage shall afford protection against the following:

(a) loss or damage by fire and other hazards covered by standard extended coverage endorsement; and

(b) such other risks as from time to time customarily shall be covered with respect to buildings similar to the Buildings in construction, location and use, including, but not limited to, vandalism, malicious mischief, windstorm and water damage, subject to such deductible amounts not in excess of \$1,000.00 as the Board shall determine. The policy or policies provided such coverage (hereinafter called "Casualty Insurance") shall provide that the coverage thereof shall not be terminated for non-payment of

premiums without at least ten (10) days' written notice to each Unit or Lot mortgagee. All Casualty Insurance policies shall be purchased by the Association for the benefit of the Grantor, the Association, the Unit or Lot Owners and their respective mortgagees, as their interests may appear, and shall provide (a) for the issuance of certificates of insurance with mortgagee endorsements to the holders of mortgages on the Units or Lots, if any, and (b) that the insurer waives its rights of subrogation against Unit or Lot Owners, Occupants and the Association. All Casualty Insurance policies shall provide that all proceeds payable as a result of casualty losses shall be paid to the Association, as trustee.

(ii) The Association shall insure itself, the members of the Board, the Unit or Lot Owners and the Occupants against Liability for personal injury, disease, illness or death and for injury to or destruction of property occurring upon, in or about, or arising from or relating to the Common Areas including without limitation water damage, legal liability, hired automobile, non-owner automobile and off-premises employee coverage, such insurance to be in such amounts as is determined necessary and adequate from time to time by the Board. All liability insurance shall contain cross-liability endorsements to cover liabilities of the Unit or Lot Owners as a group or to a Unit or Lot Owner. In the event the insurance effected by the Association on behalf of the Unit or Lot Owners and Occupants against

liability for personal injury or property damage arising from or relating to the Common Areas shall, for any reason, not fully cover any such liability, the amount of any deficit shall be assessed at a uniform rate against all Unit or Lot owners without requirement of an affirmative rate of the members.

(iii) Premiums upon insurance policies purchased by the Association shall be paid by the Association at least thirty (30) days prior to the expiration date of such policies and shall be a part of the Annual Assessment.

(iv) Each Unit or Lot Owner may, at his own expense, obtain public liability insurance for personal injuries or damage arising out of the use and occupancy of his Unit and Casualty Insurance affording coverage upon his Unit and property inasmuch as the same will not be insured by the Association, but such Casualty Insurance shall provide that it shall be without contribution as against the Casualty Insurance purchased by the Association or shall be written by the carrier of such Casualty Insurance and shall contain the same waiver of subrogation as that, referred to in subparagraph (i) above.

Section 2. Responsibility for Reconstruction or Repair. If any portion of the Common Areas or Units or Lots shall be damaged by perils covered by the Casualty Insurance, the Association shall cause such damaged portion to be promptly reconstructed or repaired to the extent of the funds made available to the Insurance Trustee, as hereinafter provided, and any such reconstruction or repair shall be substantially in

accordance with the original plans of the Unit or Lot damaged or destroyed.

Section 3. Procedure for Reconstruction or Repair.

(i) Immediately after a casualty causing damage to any portion of the Common Areas or Units or Lots, the Association shall obtain reliable and detailed estimates of the cost to place the damaged property in condition as good as that before the casualty. Such costs may include professional fees and premiums for such bonds as the Board deems necessary.

(ii) If the proceeds of the Casualty Insurance are not sufficient to defray the estimated costs of reconstruction and repair by the Association (including the aforesaid fees and premiums, if any) one or more special assessments shall be made (without requirement of an affirmative vote of the Members) against all Unit or Lot Owners in sufficient amounts to provide funds for the payment of such costs, and the proceeds of such special assessments shall be deposited with the Insurance Trustee.

(iii) The proceeds of the Casualty Insurance referred to in Subsection (i), Section 1 of this Article IX and the sums deposited with the Insurance Trustee from collections of special assessments against Unit or Lot Owners as account of such casualty, shall constitute a construction fund which shall be disbursed to the Insurance Trustee and be applied by the Insurance Trustee to the payment of the cost of reconstruction and repair of the Common Areas, Units or Lots from time to time as the work

progresses. It shall be presumed that the first monies disbursed in payment of such costs of reconstruction and repair shall be from insurance proceeds; and if there is a balance in any construction fund after payment of all costs of the reconstruction and repair from which the fund is established, such balance shall be disbursed to the Association.

(iv) Each Unit or Lot Owner shall be deemed to have delegated to the Board his right to adjust with insurance companies all losses under the Casualty Insurance policies referred to in Subsection (i), Section 1 of this Article IX.

Section 4. Annual Review of Policies. All insurance policies shall be reviewed at least annually by the Board of Directors in order to ascertain whether the coverage contained in the policies is sufficient to make any necessary repairs or replacement of the property which may have been damaged or destroyed; provided however, the Board of Directors shall have satisfied this provisions, and shall not be liable to the members for failure to maintain sufficient coverage, if the amount of coverage maintained equals or exceeds the cost of replacement of all improvements as reflected on an annual appraisal made by an M.A.I. appraiser or by the insurance carrier, as selected by the board.

ARTICLE X

USE RESTRICTIONS

Section 1. Rules and Regulations. The Board of Directors of the Association shall have the power to formulate,

publish and enforce reasonable rules and regulations concerning the use and enjoyment of the front yard space of each lot and the Common Areas. Such rules and regulations may provide for imposition of fines or penalties for the violation thereof, or for the violation of any of the covenants and conditions contained in this Declaration.

Section 2. Use of Properties. No portion of the Properties (except for temporary office of the Declarant and/or model townhouses used by Declarant) shall be used except for residential purposes and for purposes incidental or accessory thereto.

Section 3. Quiet Enjoyment. No obnoxious or offensive activity shall be carried on upon the Properties, nor shall anything be done which may be or may become a nuisance or annoyance to the neighborhood.

Section 4. Animals. No animals, livestock or poultry of any kind shall be kept or maintained on any Lot or in any dwelling except that dogs, cats or other household pets may be kept or maintained provided that they are not kept or maintained for commercial purposes, and no animal shall be permitted upon the common area unless the same is under leash.

Section 5. Signs. Except for unit identification numbers required by the Raleigh City Code, no sign shall be erected or permitted to remain on any lot or the common area, or on the rights-of-way of private or public streets within or adjacent to Chadwick Townhomes except that a "For Sale" sign

BOOK 3580 PAGE 410

meeting the size requirements of the Raleigh City Code may be placed directly in front of the unit being sold within eight (8) feet of the front face of the unit.

ARTICLE XI

EASEMENTS

All of the Properties, including Lots and Common Areas, shall be subject to such easements for driveways, walkways, parking areas, water lines, sanitary sewers, storm drainage facilities, gas lines, telephone and electric power line and other public utilities as shall be established by the Declarant or by his predecessors in title, prior to the subjecting of the Properties to this Declaration; and the Association shall have the power and authority to grant and establish upon, over, under and across the Common Areas conveyed to it, subject further easements as are requisite for the convenient use and enjoyment of the Properties.

An easement is hereby established over the common areas and facilities for the benefit of applicable governmental agencies, public utility companies and public service agencies as necessary for setting removing and reading of meters, replacing and maintaining water, sewer and drainage facilities, electrical, telephone, gas and cable antenna lines, fire fighting, garbage collection, postal delivery, emergency and rescue activities and law enforcement activities.

All lots and common areas shall be subject to easements for the encroachment of initial improvements constructed

on adjacent Lots by the Declarant to the extent that such initial improvements actually encroach including, but not limited to, such items as overhanging eaves, gutters and downspouts and walls.

If any of the property is utilized for a detached townhouse dwelling and such dwelling(s) is located closer than five (5) feet from its lot line, the owner thereof shall have a perpetual access easement over the adjoining lot to the extent reasonably necessary to perform repair, maintenance or reconstruction of his townhouse. Such repair, maintenance or reconstruction shall be done expeditiously and, upon completion of the work, the owner shall restore the adjoining lot to as near the same condition as that which prevailed prior to the commencement of the work as is reasonably practicable.

ARTICLE XII

GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at Law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidity of any one of these covenants or restrictions by judgment or court order shall

in no way affect any other provisions which shall remain in full force and effect.

Section 3. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than ninety percent (90%) of the Lot Owners, and thereafter by an instrument signed by not less than seventy-five percent (75%) of the Lot Owners.
